

Boyle | Shaughnessy Law – Lawyers Have Heart 5k 2022

Boyle | Shaughnessy Law staff and attorneys recently participated in the annual Boston Lawyers Have Heart 5k fundraiser for the American Heart Association.

Since 2008, runners and walkers involved in the legal community have joined together in the spirit of Pro Bono Publico (for the public good) to change the heart health of Greater Boston. Lawyers Have Heart Boston has grown from hosting 400 attorneys in 2008, to hosting over 2,100 legal professionals (private practice, large firms, corporate/in-house, legal staff, government, and non-lawyer colleagues) in the annual race & post-race celebration in the Seaport.
