

Boyle | Shaughnessy Law – Pine Street Inn

May 29, 2019

Boyle | Shaughnessy Law recently partnered with the Pine Street Inn to help in their efforts to prepare over 2,700 meals a day. A team from BSL worked alongside the Pine Street Inn's kitchen crew and trainees to chop over 500 lbs of fruit and vegetables – including onions!

With a mission to end homelessness, the Pine Street Inn is New England's leading provider of housing, shelter, street outreach and job training to homeless men and women. Each day the Pine Street Inn supports men and women in rebuilding their lives. Their emergency services, housing and workforce development programs help homeless individuals move toward self-sufficiency, permanent housing, and employment.
