The first annual Legal Aid Softball Classic was held on Saturday, September 22, 2018 at Northeast Delta Dental Stadium in Manchester, NH. Attorney Quinn Kelley participated in this first-ever event that raised nearly \$18,000 to support civil legal aid for seniors and low-income families in New Hampshire! US Sen. Maggie Hassan opened the afternoon, thanking the crowd for supporting the work of legal aid to keep our justice system fair and accessible to all, before Manchester Mayor Joyce Craig threw out the first pitch. The winning team, led by former Gov. John Lynch, walked away with the first Legal Aid Softball Classic Cup. Proceeds from the NH Campaign for Legal Services support New Hampshire Legal Assistance and the Legal Advice & Referral Center. Together, these programs helped more than 16,000 people in New Hampshire in 2017.
