Attorney Laura Devine prevailed on a motion to dismiss based upon plaintiff's complaint in a premises liability action. Plaintiff alleged that he was deprived access to a restroom in an emergency situation when he was caused to urinate himself. Attorney Devine argued that the Complaint failed to state a claim pursuant to Super. Ct. R. 12(b)(6); that New Hampshire does not have a restroom access law; lack of personal jurisdiction; and insufficient service or process. Hillsborough Southern District Superior Court (New Hampshire) dismissed the claim for failure to state a claim, lack of personal jurisdiction, and insufficient service of process.
